RADICAL OUTRAGES IN NORTH CAROLINA.

A mixed Radical militia, commanded by a desperado named Kirk, are committing the most unparalleled outrages in North Carolina. This Kirk has declared martial law in Alamance county, arrested many leading citizens, and organized military commissions to try them. They were seized without warrants, and the charges against them are unknown. A Raleigh telegram of the 18th says: "There is no insurrection or resistance to the civil law in this State, and up to this time there has been none reported. The people are seeking redress from the civil authorities. They called upon Governor Holden for assistance He refused. More than this, he is in league with Kirk and his ruffians and butchers, and they are acting under his authority as Chief Magistrate of the Commonwealth. The meaning of this crusade against the peaceable citizens of North Carolina is to secure, if possible, a Radical triumph at the polls this fall. At the close of the late General Assembly of North Carolina, Governor Holden felt the necessity, but was by no means disposed to give up the contest without a desperate struggle. His wits and those of his abettors, were put to devise some scheme by which the Democrats could be foiled. It was soon determined that the only effective way was to control the August elections by the force of the bayonet; but to do this successfully the support of the President must be had, and how to secure his aid was the question. At this juncture Judge Settle was dispatched to Washington. He called upon General Grant, and told him that the rebels and Ku Kluxers were butchering men, women and children in all parts of the State. This bait took, and the President asked why General Holden had not put himself at the head of an armed force and gone to the counties where the outrages were "committed, and suppressed them—that he (Grant) had examined the Constitution and laws of North Carolina, and that they gave Holden ample powers to raise an armed force to suppress these disorders, and if the attempt produced insurrection, he, the President, would aid him by all the force of the United States. This was what Judge Settle wanted. He readily communicated with John Pool and General Abbott, who saw the game at once. They hastened to Raleigh—the scheme for the military defeat and subjugation of the Democrats and Conservatives of North Carolina, was devised and Kirk is now putting it in execution for partisan purposes. The people of North Carolina are as orderly and peaceable as those of any State in the Union. They obey the laws with ready and cheerful alacrity, and give full credit to all the acts of those in authority. But they are opposed to Governor Holden and the plundering crew by which he is surrounded. They wish honest men to administer the laws and attend to their interests. In short, they have nominated anti Holden tickets to be supported at the coming election, and for that offense, no other, they are arrested by Kirk's soldiers, and punished in the most lawless and brutal manner. This is the plan suggested by General Grant, this the plan which he promised to uphold by all the force of the United States if necessary. When the outrages in North Carolina are viewed in this light, they assume most portentious shapes, and stain the present national administration with still more infamous colors.

HOLDEN'S WAR.

The military crusade which Holden is making against the people of Alamance and Caswell, and which doubtless he will extend to other counties, is costing immense sum of money. The shrieks of dying women and children, the groans of strong men, and the assertions of home and business and crops are the present evils of Holden's military operations. But men cannot be fed, and clothed, and paid, and transported without fearful cost. The people of North Carolina are expected to foot the bill. The victims of these outrages, it is intended, shall pay the expenses.

It the organization of Holden's regiments of "State troops" is illegal, as we are fully persuaded it is, then the Treasurer and his bondsmen are responsible for all the money paid out for that purpose. This money cannot be forced from the people this year, for the taxes have already been assessed. It is expected that the next Legislature will legalize these expenditures, and the money will be raised by additional taxation next year.

Our advice, therefore, is for all candidates for the Legislature, Conservative and Radical, to be asked by the people if they will vote for an appropriation for this purpose. If any candidate approves of Holden's war, and will vote money out of the Treasury to defray its expenses, he should be beaten regardless of his politics. Our burdens are too heavy now. White and black people alike are hampered and crushed under the stagnation of business caused by the excessive taxes which we pay. Let every constituency demand a pledge of candidates that they will, under no circumstances, vote to pay the debt incurred by Holden for his military operations. This course has been pursued in several counties already, and Conservatives and Radicals freely pledge themselves against the war programme of the Governor and against all appropriations in its behalf. If the Governor inaugurates war against his own people, in violation of his duty and contrary to law, and the Treasurer honors his requisitions, let them make good the amount, or let their cerditors whistle for their money.—*Wil. Journal.*

A most singular will has just been opened in Venice. A rich old bachelor has bequeathed his entire fortune to a distant relative, a very pretty young lady, nineteen years of age, and not left a shilling to his nearer relations. So far there is nothing singular about it. But it happened that the testator had been endowed by nature with a fearful hump on his back and a clump foot Now, he puts the condition that she must marry a man endowed with similar ornaments if she wishes to touch the estate. The rightful heirs are contesting the validity of the will, saying that no sane man would put in such a condition.

A colored policeman, by the name of Martin, was shot and killed by a soldier in Charleston on Thursday night.

THE POOL-HOLDEN AND SETTLE CONSPIRACY.

We know well the measure and force of the words we are about to write and the charge we are about to make.

We charge that John Pool, W. W. Holden, Thomas Settle and others, whose names we can and will give at the proper time, entered into a deliberate conspiracy to carry the approaching election, by intimidating the people, or bringing on a conflict of open violence and thereby defeating it altogether. The plan has been in existence for months past, and the base of it is this: A settled effort was to be made in Congress and through the newspapers to produce the impression here and at the North, and especially at Washington, that there existed a tremendous disloyal and treasonable secret organization called "*Ku Klux*," that the purpose of this organization is to overthrow the government of the Union and to outrage, scourge and *kill* Union men, and especially the negroes. A part of the system was to provoke some wicked and some indiscreet persons by insulting and irritating newspaper articles and speeches and every other available means, to commit outrages of various kinds, no matter upon whom, and then making a loud parade about the same through the Radical Newspapers here, and in Congress, and through alarming proclamations to be issued by Gov. Holden. If such outrages were too infrequent, other means were to be adopted to procure such outrages to be perpetrated. No real effort was to be made through the Courts or otherwise, to bring any offender to justice. Every conceivable means was to be used to inflame the popular mind with the idea that the *Ku Klux* were striking at the life of the government and society, and one material part of this plan was to inflame and poison the mind of the President with this notion against the people of this State. Then at the opportune time, *just before the approaching election*, an army was to be raised, law or no law for it, and this army was to be used to terrorize over the people, and arrest many of the best and most prominent citizens of the State, and thereby frighten them to vote to keep Holden and Company in office, or if the people should resist such tyranny, then to bring on a general conflict of arms, call on the President for help and defeat the election entirely. This is an outline of the plan, originated by John Pool and entered into by him and those we have named, and others whose names we can give and will give if it becomes necessary.

This conspiracy has so far been carried out to the letter, and it remains to be seen, if they can entirely effectuate their purpose. We do not believe the people will submit to be made Slaves. John Pool has said in this city, time and again, that the Conservatives could not carry the election, and means would be adopted to prevent their doing so, and if they should carry it, they would *not be allowed* to administer the government of the State. He has said these and similar things here time and again, and repeated them a short while ago.

What do we see? Why *Ku Klux* outrages are exaggerated to ten fold their number, and just before the election the army of despotism is raised, leading and good men are arrested and more are to be arrested and tried by a military tribunal, and all this without any sanction of law, and the people are threatened with the President and devastation, if they resist this tyranny. This is the truth, as every citizen knows by his own daily observation. The vile miscreants whom we have named above are the ringleaders in this conspiracy, and their purpose is what we have stated. They have frightened many of the office holders, including Judges, by telling them if the Conservatives carry the election and the Legislature, they will impeach every Radical office holder and turn him out.—Even the Supreme Court Judges are, as we understand, terribly frightened on this account.

We repeat, we know what we have written about, we make the charge in dead earnest. If we have made a false and unfounded charge, we are guilty of libel and subject to indictment and a civil action.—We defy the parties charged to sue us, and if they will, we will in due time, prove substantially all we have charged and more too. This *Ku Klux* cry is a base, cowardly subterfuge resorted to, to accomplish the fiendish purpose stated at any cost of blood or money.

Such blasts of society ought to be held up to the scorn of all good people; they must and will receive unending execration. They have taken on their shoulders a load they cannot cast off in a life time, and if they now revel in such crime and mock at the calamity of the people, the day comes when they will be forced to account civilly and criminally and writhe under the indignant frowns of an outraged people.

THE COMMON SCHOOL FUND—WHERE IS IT?

The State realized for the purposes of education, from the sale of "land scrip," granted by the United States, at the close of the war, $125,000; it realized from the sale of State stock in the Wilmington and Weldon, and Wilmington and Manchester Railroad Companies, $158,000; during last year $9,158.18 were realized from other sources. These make the aggregate sum of $292,158.18.

Last year Gov. Holden and his subordinates manipulated this fund. It will be remembered that they professed to be the especial friends of education. Well, let us see what they did with this large sum of school money.

In the first place, after expending in the most prodigate manner the immense sums of money levied from the people to pay the ordinary expenses of the Government, they took of this school money to pay the salaries of Holden and Heads of Departments, and Judges, and members of the Legislature, $158,000. This cannot be denied—see Auditor's report.

Then Gov. Holden and Mr. Lassiter took $122,600 of this money to New York and invested it in STATE BONDS! when they bore *no market value*—having only a *nominal* value. They got forty old State bonds of $1,000 each; forty new State bonds of $1,000 each, and 160 "special tax" bonds of $1,000. We repeat, that at the time these bonds were purchased they bore only a nominal value, they were growing worse and worse every day, and *Holden and Lassiter knew it.*

These last were the same bonds that were subsequently repudiated by the Radical Legislature, by express statute, and every dollar of that money is lost. This cannot be denied. See Report of Superintendent of Public Instruction, page 69.

Who got the money for these $160,000 special tax bonds? The "Ring?" Any one at all acquainted with the history of the last year in this State can tell what the "Ring" means.

The balance of this school money, about $10,600, has gone to pay for almost nothing, to pay for printing for Cape Cod Ashley's Department, getting up beautiful pictures of fine school houses, &c.

All this money was cash in hand; they have been in office for two years and not a county in the State blessed with free school yet! There may have been a few opened, one here and one there, just to make a showing, and even the teachers of most of these have failed to get their pay.

This is the way the faithless scamps educate the children of the State! The money is all gone, and where? Echo answers, where!

It is sickening to contemplate such villainy, such treachery and deceit, yet these same fellows ask the people of the State to keep them in power! Will they do it?

But more still: The State owned "Swamp Lands," of untold value. Much of these lands are the richest in the State. They are estimated to be worth from $300,000 to $500,000. What did Holden and Company do with these lands? Why, at first they sold them to a carpet bagger named Bibles, for $30,000; but even the Legislature repudiated this fraudulent sale. Then what did he do? He waited until most of the members of the Legislature had gone home, got a bill passed empowering him to sell these lands, and within twenty days after the adjournment, he sold the "Swamp Lands" to this same carpet-bagger, Bibles, and a man by the name of Carrow for $50,000, and that too, on a credit and without security.

That is the way Holden and Co. educate the poor children of the State. How long will they allow him and his "Ring" to abuse their confidence and rob and plunder them of the little the war left them? How long—let them consider.

HENDERSON SCOTT.

We telegraphed our old friend whose name heads this article, in the name of God, liberty and the Presbyterian Church not to recognize Kirk's authority by giving bail in any shape or form.

A letter from one of Mr. Scott's Presbyterian brethren in the Hawfields, informs us that he reached home on Saturday last without bail, mainprise or promise, to Kirk or Holden.

Henderson Scott, says that Kirk is a better man than those who back him. Kirk told Mr. Scott there was no cause for his arrest, and it should not have been made. Now our next word to Mr. Scott is, put a writ on Governor Holden, W. A. Smith and red eye Albright, and every man who has given information for your arrest. Let Kirk go, he is a better man than those who back him.

The first meeting of the Carolina Horticultural Society will come off in Wilmington on the 11th of next month.

EVERY MAN'S DUTY.

Many good, plain men think they can do but little in controlling public sentiment in an election, and hence make no effort to do so, simply casting their own votes.—This is a sad mistake they make; the humblest man has his influence and he is in duty bound, as a good citizen to use it. If every such man would use his influence and go out among his neighbors and friends, and urge them to action and co-operation in carrying the election, what a scene we should witness!

If this were the practice of the plain, honest men, the bone and sinew of the land, who dig with honest licks the money out of the ground to pay their taxes, it would have a tremendous effect for good.

We do trust that every man will feel that his country and his own personal interests demand his efforts to help save the State and people from the blighting curse of the villains who have disgraced and ruined the State for the last two years.

There is manifestly no protection for labor or capital, and unless some protection is provided the State must become a waste howling wilderness; capital and labor will not come among us, and we that are here on our "native heath" will be forced to go where we can find better government and some encouragement to industry.

We call upon all men, and especially upon laboring men of the State to take the management of the election in their own hands, and go to work with their sleeves rolled up. Then we will go through or something must break! Up and be doing: every man has personal interest at stake.

THE COST OF HOLDEN'S ARMY.

We understand that the drain upon the Treasury to fit out and keep up Holden's army of oppression is appalling to every one at all acquainted with monetary matters. The cost cannot fall short of *half a million of dollars*, and will probably go beyond that amount. Horses and wagons and other articles of outfit are purchased at any price and in large numbers. It is said that an order for a hundred horses has been sent to Baltimore.

What do the people think of such reckless conduct? Can they—will they tolerate it? We trust not.

We are glad to learn that many Republican candidates are pledging themselves not to vote a dollar to pay for it. We tell the people of all parties not only to exact pledges that they will not vote to pay for this lawless army of oppression, but also that they will forthwith, on the assembling of the Legislature vote for a measure to sue the Treasurer and his bondsmen for the money he has paid and is paying out to arm and equip this army. He has no authority in law to pay one dollar. Our warrant on him for any purpose would be just as valid as Holden's is for the purpose of making war on the people.

Let the people all over the State look to this matter at once. They will be called upon to pay half a million of dollars for this army organized to overturn the constitution and laws, to oppress and outrage the people and keep Holden and the thieves who have robbed and disgraced the State for the last two years, in place and power.

HABEAS CORPUS.

The *Standard* is joyous apparently over the decision in the case of the Alamance and Caswell prisoners. There is a reluctant spirit in the opinion, and a censorious temper towards the counsel of the prisoners, which will not escape the censure of the public, but what has the Governor gained, that he should exult through his son and organ in the judgment rendered.

1. Has he not dropped the project of a military commission to sit on the trial of these prisoners, which the *Standard* avowed, would be ordered upon them as late as the close of the argument? Does not the decision scatter this project to the winds? Or does he dare in defiance of the opinion and ruling in the case, to think yet of a military commission, to try them for murder, which the Judge says, is charged against them?

2. Does not the decision also dissipate another favorite device of the Governor and his organ, that by military means and custody, he could torture out of the accused, evidences of their guilt, which could not be had by the rules of law?

3. Does not the decision forbid all idea of dealing with them in any manner different from that applicable to parties arrested by civil authority?

Does it not direct the writ of Habeas *corpus* to issue in *every case*; exactly what was prayed for by the defendants?

If these are the grounds of the Governor's joy, he gives thanks for small favors. If the Judge was not so rude and insolent to him, as Kirk was to the Judge, it is not the occasion of great rejoicing; and airs of this kind are evidently put on, to hide the mortification of being driven from his purpose to annoy and terrify the victims in his clutches, by the fear of cruel and unusual punishments without legal trial.

MILITARY COMMISSION.

For several days it has been rumored about the city that Gov. Holden has appointed a military commission, with Major General Wiley D. Jones at its head, and Kirk and Clarke with some others as members, to try the prisoners now in the custody of Kirk at Yanceyville. We think there is good ground for the rumor, as we understand Mr. Jones has spoken of it as a fact, on several occasions.

There is nothing plainer or more certain than that Chief Justice Pearson has decided that these men cannot be tried otherwise than by the Courts of the State, according to law, and consequently, any other mode of trial would be illegal and revolutionary. Kirk and his Tennesseeans may recklessly set the law at defiance and obey the behests of Holden in defying the decision of the Chief Justice, and when the restoration of civil law comes, as come it will, may betake themselves to their own place and escape a reckoning for their unlawful acts; but others on whom the law can take a hold would do well to consider the part they take in contravention of the Constitution and laws of the State, and to be very sure of the ground on which they tread. The Governor's defiance of the law does not and cannot legalize any other man's disregarding it, or acting contrary to it.

LIE.

This is a word of three letters and one syllable, and is the ugliest word of common use in the English language. It is the term of the vulgar and abusive. We never use it.

Governor Holden is much addicted to the use of this ugly word, as the columns of the *Standard* will show. The word ill becomes a gubernatorial tongue or pen.

The Governor has written for the paper since he was inaugurated, calling us a liar, coward, &c. We do not intend to call the Governor another, or a liar, because he has called us one. He is the last man for us to imitate. But we can prove by Judge Laws, the Probate Judge of Orange; by Thos. Webb, late President of the North Carolina Railroad; by W. W. Guess, of Orange, Col. Little, Dr. Hawkins, Judge Logan, Chief Justice Pearson and twenty others of the best gentlemen of the State, that W. W. Holden will "do violence to the truth."

He has lied upon Judge Pearson in this; he charges that Judge Pearson decided that "the safety of the State was the supreme law," when he has decided no such thing, and could not without making himself infamous.

He lies upon the Chief Justice in the following telegram to Forney:

"RALEIGH, July 23 1870.

To John W. Forney:—The *habeas corpus* case is just decided. Chief Justice Pearson substantially sustains the State Government and refuses to interfere."

This is a palpable lie upon Chief Justice Pearson and his opinion, for he says: "I declare my opinion to be that the privilege of the writ of *habeas corpus* has not been suspended by the action of his Excellency; * * * * but he has no power to disobey the writ of *habeas corpus*, or to order the trial of any citizen otherwise than by jury, according to the law of the land; such action would be in excess of his power." Who will read this opinion of the Chief Justice and say the Governor has not lied on the Chief Justice?

Its policies being *non-forfeiting*, the insured are privileged to *live and travel where they please* in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premium, a cash surrender value of policy, *and a privilege* which has never been offered by any other Company, that of converting Policies into

Hitherto, I have been restricted in the very popular Company which I had the honor to represent to *Stock rates* alone, which most of the *Mutual*, and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies, in this State, who claimed to possess unusual charms, together with the extraordinary attractions presented by the popular features of other Companies, represented in this State, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes so discontinue, because of the death of those for whose benefit the policy was secured, *into an Annuity Bond* which provides an *income in cash through life, or for a series of years as preferred.*

Circulars giving full explanations and any other information, will be cheerfully furnished.

REGISTRATION, up to this afternoon, white 597, colored 929.

NEW ADS TO-DAY.—University of Virginia—session begins Oct. 1st.

Douglas Bell offers a building lot for sale, iron bound kegs, several good drink tables, N. C. Cheese, and guano for turnips.

REGISTER! REGISTER!!

There is but little over a week to the day of election. Every voter in Wake county must register or he cannot vote. Don't neglect it a day, but register, and then go quietly to the polls and cast your vote against the corruptions and oppressions; the military humbugs and high taxations that are grinding you to the earth and eating up the products of your labor.

UNITED STATES TROOPS.—Three Companies of U. S. Artillery, from Fortress Monroe, arrived in this city last night, and we learn that three other Companies, from Fort Henry, will arrive to-night. We are glad to see these troops coming to the State. A telegram yesterday said, they were sent here "to assist the Governor in executing the civil law." This is what we want. Gov. Holden seems bent on executing military law, and that, too, in defiance of the Constitution and civil laws of the State. We don't suppose the Federal troops were sent here to back him up in *that*.

Indeed, the people are glad these troops are coming, because it gives them some assurance of protection for life and property, and some hope of safety for their homes and families, against the profligate hordes brought together to terrorize over and intimidate the people and prevent a free exercise of the franchise at the coming election.

We would not care, nor would the people care, were a whole army corps sent to the State.

Mr. Uriah Stafford, guard at the Wilmington and Weldon R. R. bridge over Neuse River, about three miles from Goldsboro', a few nights ago, while in the act of crossing the bridge, was overtaken by the train and rather unceremoniously hoisted upon the cowcatcher and carried over. As soon as the train cleared the bridge Mr. S's condition was discovered and he was released from his perilous situation without sustaining any serious injury.

AGGRIEVED DISAPPOINTED.—When the Federal troops arrived here last night, they came up through the streets with fixed bayonets. Several of them informed us to day that they were expecting an attack, or to be called to assist in suppressing a riot every moment, and that they were perfectly astonished to find that there was no fighting going on and that all was peace and quiet.

The lies that have been sent abroad from the State are calculated to make the impression that everything here is in an uproar and turmoil, and if the truth were known, many would be astonished at the quiet state of affairs here.

MORE TICKET FRAUDS!

We have before us another fraudulent ticket. This is for Johnston county, and is headed "Regular Conservative Ticket," and has on it the names of all the Conservative candidates but three. These are displaced and the names of Wm. Thain for Register of Deeds, and Alfred Holland for Treasurer, substituted. Both these are Rads, and the ticket is gotten up to cheat Conservatives to vote for them. Let the people of Johnston look out for these frauds—every county is full of them; look well to your tickets before voting, and be sure to vote for no man who would resort to such a mean, low trick to promote his election.

The Life Sustaining Principle.

The vital and the muscular systems are entirely distinct from each other. A man may have the brawn of a Hercules, but if he is deficient in vital energy he will not wear as well, or last as long or be as healthy and happy, while he does last, as the man of ordinary, or even slender build, who possesses a larger share of this animating principle. One of the greatest recommendations of that pure vegetable invigorant, Hostetter's Stomach Bitters, is that it increases the vital force of the system. No medicine can double the volume of a man's muscle, or thicken and volcanize his thews and sinews; but Hostetter's Bitters has an effect much more important. It adds to power, constitutional vigor. It reinforces the life-power, of which bone and sinew and muscle are merely the instruments, holding the same relation to it that machinery does to steam. Let the slight and apparently fragile take heart, they may have more stamina, though far less physical strength, than the broad shouldered athletes they regard with envy. To restore to sustain, to increase this staminal principal which, when in full supply, is the source of health and the best guarantee of longevity, is a special property of the famous restorative. It is not only a specific for dyspepsia, biliousness, intermittent fevers, constipation, &c., and a preventive of all diseases of a malarious character, but the best of all appetizers for strengthening the constitution, for awakening the powers of nature from whatever cause they may have become lethargic.

HOLDEN AND HIS COURSE.

We make a few extracts below, from our exchanges outside of the State, to show what light Holden and his course is viewed by those looking on from an outside standpoint.

A GREAT OUTRAGE.—We learn as we go to press that Kirk's militia entered Danville on Thursday night and arrested there, without form or warrant of law, and without the privilege of the authorities, Mr. Ludolphus Gunn, a citizen of Caswell county, N. C., who was accused of some complicity in the disturbances, or pretended disturbances, which are said to have recently taken place in his county. We have no doubt Gov. Walker will take prompt steps to investigate this high handed outrage and do what is necessary and proper to maintain the credit and dignity of the laws of this Commonwealth.—*Lynchburg News.*

THE NORTH CAROLINA DIFFICULTIES.—The arbitrament of the law has finally been demanded and conceded in relation to the anarchical state of affairs in North Carolina. The powerful writ of *habeas corpus* has been called into play, and we had reason to expect that we should get the true, unvarnished story of the whole proceedings; but it would seem that even the judge was blind as well as justice, for he has rendered an opinion to the effect that Colonel Kirk's reasons for not obeying the writ of *habeas corpus* were sufficient, but that the writ should be obeyed by some other man. He has, therefore, served the writ upon the Marshal of the Supreme Court of the State, and, as he is not a militia officer, it is probable he will obey it.—*N. Y. Herald.*

Some of the North Carolina papers are publishing the opinions of the press upon Holden's conduct. Holden will become more and more tyrannical and dispotic if this is his only danger. He fears no paper pellets. He will laugh a siege to scorn if only such missiles are to be employed. One such man as Holden can damage a State more than ten thousand good men can benefit it. It is a pity that there is no lawful mode of getting rid of him. He is a devil indeed, but nevertheless he is not technically *hostis humani generis.*—*Richmond Dispatch.*

Gov. Holden, of North Carolina, is trying his best to get up a revolution in the State, and we hope that if he succeeds himself and his backers will be the first to suffer. The manner in which these accidental officials of the South are acting is most infamous. That the authorities of a State should deliberately hound on the people to revolt by means of outrageous despotism, is something we should have deemed impossible a few years ago.—*N. Y. Evening Telegram.*

General Grant is enjoying the ocean breezes at Long Branch, and the people of North Carolina enjoying the visits of Colonel Kirk and his black and white saints.—This man has absolutely invaded the State of Virginia, and seized the victims on the soil of that State. Those familiar with the record of Colonel Kirk as a bushwhacker in East Tennessee under both the Federal flag and the Confederate flag during the war, are mystified at his having receiving a high appointment in the State militia of North Carolina. They should not be. He is bushwacking now under the orders of Gov. Holden, and with the countenance of Gen. Grant.—*Philadelphia Age.*

For the Sentinel.

DAVIDSON COUNTY.

MR. EDITOR:—The canvass in this county is progressing quietly. The Radical office holders, clique nominees are, Thomas P. Allen for the Senate, B. F. Beckerdite and Rev. Joseph Miller for the House of Representatives. Mr. Allen is an Englishman and quite an old man. He says a Republican form of government is a failure in this country and he is therefore in favor of a strong central goverment. I suppose he means by that a limited monarchy as in the "old country." Old notions will cling to old men.

The independent candidates for the Senate are Frank C. Robbins (brother of Senator W. M. Robbins of the Salisbury district) and John W. Thomas, Esq. Mr. Robbins is in the vigor of manhood and intellect.—He is a thorough scholar, having graduated at the University in 1859, and is a strict member of the Church. He makes a dignified, logical and convincing speech. His language is apt, terse and elegant, devoid of all slang phrase, low and abusive epithets. He speaks calmly and with dignity. His views are moderate and liberal, avoiding all extreme notions as well as expressions. He is particularly to be commended for his courtesy towards his aged opponent, and though the latter sometimes asks him some very insulting questions, he answers them in such a calm, dignified and courteous manner, that he wins many of his hearers to his support.

Mr. Thomas is an old man of "three score years and ten" rather childish and vascilating. He represents *Mr. Thomas.*

"He wires in and then he wires out,
And leaves the people still in doubt,
Whether the snake that made the track
Is going South or coming back."

The independent candidates for the House of Representatives are Messrs Jacob Cheard and Jacob T. Brown. From present appearances the Radical nominees will be defeated. All the candidates of all shades of political opinion have made pledges to the people, who demand it of them at every precinct, that they will vote against Holden for U. S. Senator, and against any measure to raise funds to pay off Kirk's hirelings, or against any measure to legalize Holden's war poncy. They are all against Holden, his administration and his "State (Tennessee) troops' movement.—Governor Holden is the most unpopular man in this county, where two years ago he was a favorite, that ever was in it. I honestly doubt whether he could get 50 white votes in it. The people think he was the pious mover in this State of the civil war in 1861 and they fear he is about to inaugurate the same thing in 1870. I never heard of as universal condemnation of any one thing in all my life. He is making scores of votes for the people and tax-payers, ticket against the office holdering and tax absorbing ticket.

If there be no foul play at the election, Gen. Leach will carry this district by about 1500 or 2,000 votes. I have just heard by private letter from Rockingham County.—That County is claimed by the Conservatives by 700 majority and many Rats are made on it. Gen. Leach will carry Gen. Scott's own county by a large majority, so I am informed. Similar news from the other Counties of the District. The motto is "*peace, low taxes and civil law.*" "Let us have peace."

RUMMINGDALE.

The Wilmington *Star* says that A. H. Galloway, the negro Senator, having declared in favor of Prussia, old Nap is sorely troubled.

We were in error a few days ago in stating that "Daddy Cowles" was the Radical candidate for the Senate in Surry and Yadkin. T. M. Vestal is the Radical candidate in that District, and is opposed by A. C. Cowles, Esq., who will be elected by a handsome majority.

BANKER CIGARS.

PUFF OF SATISFACTION.—Nothing is more grateful than the solace of a good-flavored and free-smoking cigar. Such are Mohegan's Bankers, the best cigars for their price in the country. They have become so universally popular in North Carolina, in Raleigh particularly, that all the Investorate smokers are breaking their pipes.

We honestly think two boxes of Mohegan's Bankers might be induced to influence even Grant to compassion in regard to the suffering Cubans.

We recommend the Bankers, and know whereof we affirm, for as we write we are consoling with the proud satisfaction of puffing one, and enjoy it hugely.—*Norfolk Journal.*

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

HILLSBORO', N. C., April 22nd, 1870.

THOS. H. BRIGGS, Esq., Raleigh, N. C.: Sir:—I have used "Utley's Cotton Press" for baling hay for some months. It works well and gives entire satisfaction. I regard it as the best Hay Press I have seen. Respectfully, E. H. POGUE.

T. H. BRIGGS, Esq., Raleigh, N. C.: Dear Sir:—I used the "Utley Cotton Press" I purchased from you last season. I packed my own crop of cotton, also other crops for my neighbors, making in all one hundred bales. I consider it superior in all respects to any Press I have ever seen and that it is every thing the patentee represents. I packed bales weighing from four hundred to five hundred and ninety-seven pounds. Yours truly, W. T. BOWLY.

LIFE ASSURANCE SOCIETY
OF THE
UNITED STATES
92 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,
CHARLOTTE N. C.

THE EQUITABLE
HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (sum assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1860 it was the 9th Company in new business for the year; in 1861 it was the 8th; in 1862 and 1863, the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends". Many companies using this expression mean that their dividends are "annual" AFTER THEY CEASE BEING TO PAY THEM AT ALL; but they DO NOT BEGIN TO PAY until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends at the end of one year, and each year thereafter, equals FOUR HUNDRED AND THIRTY-SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or in person or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with its General Agents.

READ AND PONDER.

I never read a dozen pages of medicine in all my life, and of course know next to nothing about it But, as I said before, Dr. Hammond is my authority for saying, that any man who smokes such good Cigars, or chews such good Tobacco, as you can find only at PINCK C. HARDIE'S need have no fear of declining health. But will, on the contrary, improve in health and increase in flesh so long as he continues to use them.

Indeed the authority of such distinguished Physicians as Dr. Hammond is not needed to convince you that I only assert what can be substantiated, by contrasting our esteemed fellow citizens, Jno. H. Palmer and Asa. M. Towles, "who never smoke," with such men as my friends Creech on the corner, Maj. Tucker just opposite, Harvey Moore, of the EXPRESS, and Simon Hayes, the Livery Stable man, and a host of others I could name, who use my Cigars and Tobacco.

Suffer a word of exhortation; come and see me. Try my goods, and if I don't suit you go further and fare worse.

UNPRECEDENTED SUCCESS

Medal Awarded by the Paris Exposition, 1867.

THE AMERICAN COMBINATION Button Hole & Sewing Machine

Has been honored with the *highest award* in premiums and diplomas wherever entered for competition at *fairs* and exhibitions held during the past season.

THE SIMPLICITY, EASE AND CERTAINTY with which this machine operates as well as the uniform excellence of its work, throughout the entire range of Sewing, in

Stitching, Hemming, Felling, Tucking, Cording, Braiding Quilting, Gathering & Sewing on, Overseaming, Embroidering on the Edge, and its Beautiful Button-Hole and Eyelet Hole Work,

Place it unquestionably far in advance of any other similar invention.

It is also the CHEAPEST intrinsically, as well as the BEST, since it is really TWO MACHINES combined in one, (by a simple and beautiful mechanical arrangement never before accomplished by human ingenuity,) making either the Lock Stitch or Button-Hole Stitch, as occasion may require. It is, at the same time, simple in construction comparatively noiseless, easily understood, and in a word, it combines with these ADVANTAGES, EXCLUSIVELY ITS OWN, THE MOST DESIRABLE QUALITIES OF ALL OTHERS.

The public are invited to examine this remarkable machine at Mrs Thompson's Boarding House, (Mrs. Thompson's old stand,) Fayetteville Street, and at Watson's Photographic Gallery.

Instructions in the use of the machine will be given to all purchasers *gratis*.

THE CHEAPEST, BEST AND SAFEST ILLUMINATING AGENT IN THE WORLD.

No more Exploded Cans!—No more Exploded Lamps!

IT costs less!—it lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON-EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 2n years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear [illegible] and unirritating to the eyes. All [illegible] is received and impartial trial.

Among the numerous [illegible] received read the following:

PHILADELPH[illegible]th, 1869.

The undersigned, having [illegible] the experiments of Messrs. Hale [illegible], with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a safe and brilliant illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

A. BALDING'S

PATENT GLASS SUBMERGED

DOUBLE-ACTING FORCE PUMP.

SUBSTITUTE FOR A FIRE ENGINE.

THIS Pump will pump 30 gallons of water per minute, will never cut out the packing, has no friction, no water ever stands in its pipes to freeze, and is less liable to get out of order than any other pump now used. It can be set up in a short time by any ordinary mechanic.

The No. 2 pump for yard wells will be sold at from $20 to $30, capable of throwing 20 gallons of water per minute. The price of No. 2 for railroad stations, throwing 60 gallons per minute, will be given upon application.

Having the exclusive right to this pump for the states of North and South Carolina, and having established a factory for the manufacture of them at Wilson, N. C., I will receive orders for them at Wilson, and will ship them by Express C. O. D., or, if the money is sent me, by the regular freight. The number of feet in the depth of the well must be given in all cases.

MR. J. L. KITCHIN:

DEAR SIR.—We certify that the "Balding Pumps" put up by you in the town of Scotland Neck are a perfect success. They pump very rapidly, and by attaching hose, will throw water from 40 to 60 feet and would prove invaluable in case of fire.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks*, upon which elements of administration The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and *every year, and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers, in looking around for Companies in which to insure, should carefully seek for this important safeguard. It will be found in the BROOKLYN LIFE.

The Globe has peculiar claims upon the Southern country, from having first introduced the non-forfeiting feature in all its policies. Its President, Mr. Finy Freeman, was the inventor of the ten-year, non-forfeiture plan, and introduced it in the Company with which he was then connected.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash, without deduction.

To those desiring it, the Company will issue policies, registered and certified by the Superintendent of the Insurance Department of New York, as "secured by pledge of public stock."
